Governor Batelaan reminded the Board of the Convention Goal of 698 registrants which Kiwanis International reported as our recorded attendance in Montreal in 1998.

Executive Director Langguth reminded the Board of the Delegate Certification process and the need to certify delegates before they arrive in Montreal. He also cautioned the Board that clubs delinquent in their payments to Kiwanis International cannot seat delegates at the International Convention.

Executive Director Langguth informed the Board Members that they could request their $450.00 convention reimbursement allowance, once their receipts can be presented for payment.

Executive Director Langguth reminded the Board that no District Dinner was planned for Montreal, because of the high cost of the dinner at the hotel and the menu selection limited to chicken at $60.00 per person.

Considerable discussion ensued on the feasibility and desirability of a District Dinner or Social Activity, possibly held away from the hotel, leading to the following motion:

**Ratification of Executive Committee Action:**

Governor Batelaan reminded the Board that three (3) Executive Committee actions, since the August 28, 2005 Board Meeting, required ratification by the Board:

The items were:

- Approval to pay offsite storage, through September 30, 2006, of A-V equipment to Shrack Properties in the amount of $2,548.60.

- Approval to pay Marlene Winchester $450.00 for travel reimbursement to a training conference for Aktion Club Administrators in Indianapolis in 2004. A former request was submitted after the close of the administrative year and therefore denied. Ms. Winchester claimed the request was delayed because her home was damaged by the hurricane resulting in financial hardship.

- Authorization to enter into a 3 year contract with PCI Communications for publishing the Florida Kiwanian through the 2007-2008 Kiwanis year. The agreement included the assignment of advertising revenue to PCI, except for the $100.00 sponsors of the Objects of Kiwanis retained by Kiwanis. The contracted price, per issue, for printing of the Florida Kiwanian is $4,650.00 plus tax, if not exempted.

Lt. Governor Taylor made a motion to ratify the action of the Executive Committee. Lt. Governor Caviness seconded the motion, which carried. (MOTION #7)

**First Gentleman’s Partnership with the March of Dimes:**

Governor Batelaan and First Gentleman Dave thanked the Board for the tremendous enthusiasm exhibited for the First Gentleman’s Project: March of Dimes. They said that they had already surpassed their fund raising goal, but that funds were still badly needed and that there was still a tremendous need to create awareness of the research and programs conducted by the March of Dimes.
Kiwanis Colleges Throughout the Florida District:

Governor Batelaan reported that the attendance reports of the Kiwanis Colleges indicated that participation had fallen off slightly from last year. She said that two Kiwanis Colleges had to be rescheduled because of the hurricanes and that delayed the kick-off and caused conflicts with rescheduling. Nonetheless, Governor Batelaan stressed her appreciation of the faculty and those making the effort to attend and particularly singled out Kiwanis Education Chair Melanie Winternheimer for her outstanding coordination of the Kiwanis College curriculum, facilities and faculty meetings and dinners.

Awards Programs:

Governor Batelaan reminded the Board that it needs to continue to promote the 2005-06 Awards and Recognition programs. She encouraged Lt. Governors to actively promote and recognize people with the Governor’s Toot Toot award. She said that more pins were available if anyone needed to replenish their supply.

Purchase of Two (2) Boxlight MP-58I – 4500 Lumen Video Projectors:

Executive Director Langguth presented a request for authorization to purchase two (2) Boxlight MP-58I Video Projectors with 4500 lumens of brightness. He stated that the purchase recommended by the District’s Audio Visual Specialist, Wade Shrack, was to replace two projectors that were 10 years old and in need of repair. He stated that the lumens of the old machines were 2500 lumens. He asked for authorization to expend no more than $10,000.00 on the purchase, including taxes, shipping and insurance. He told that, if not approved, the daily rental of this equipment at the Kiwanis and Key Club conventions for one year would be close to the same expenditure.

Executive Director Langguth stated no opinion on repairing the original equipment as backup to the new projectors. He stated he had no idea of the remaining life expectancy of the projectors were they to be repaired.

Lt. Governor Parton made a motion to purchase two Boxlight MP-58I projectors at a cost not to exceed $10,000.00 and to authorize the repair of the two existing projectors, provided the repairs could be accomplished for $1,200.00, or less. The motion was seconded by Lt. Governor Keller and carried. (MOTION 8)

Further Technology Purchases in 2005-06:

Treasurer Mark Taylor said that because of the approval of the unbudgeted technology expenses, he believed no further technology purchases in excess of $500.00 should be made without prior approval of the Executive Committee.

Treasurer Mark Taylor made a motion that any expenditure for technology in the remainder of the 2005-06 administrative year be limited to $500.00 unless
authorization is first obtained from the Executive Committee, prior to any purchase exceeding the $500.00 level. The motion was seconded by Past Governor Fowinkle and carried. (MOTION 9)

Exclusive Florida Kiwanis Family Lighthouse Ornament Fundraiser:

Governor-elect Yorston presented his fundraising proposal for the 2006-07 administrative year to the Board. He proposed selling limited edition Christmas Tree ornaments to Kiwanis Family clubs as an administrative fundraiser. The clubs would in turn sell the ornaments to the general public as a service project fundraiser for the clubs.

There was an interchange of discussion between Governor-elect Yorston and the Board. Some concern was voiced over the need to provide samples to the incoming Lt. Governors to promote the sale of the ornaments to the clubs. Lt. Governor Gugliuzza committed to purchasing one sample for each of the twenty-seven 2006-07 Lt. Governor to begin the sales campaign, if approved.

Governor-elect Yorston made the motion to authorize the initial purchase of 500 lighthouse ornaments at a cost not to exceed $4,500.00. The funds for this purchase to be taken from funds on deposit as of 9-30-05, so not to adversely impact the 2005-06 budget. The motion was seconded by Lt. Governor Whetsell and carried. (Motion 10)

Solicitation of Contributions Act:

Executive Director Langguth informed the Board that failure to register for the Solicitation of Contributions Act with the Florida Department of Agriculture and Consumer Services by any club soliciting funds from the public is a 3rd Degree Felony.

Executive Director Langguth informed the Board that the Department of Agriculture and Consumer Services would be represented at the District Convention in August to assist clubs in the registration process and to make clubs aware of the requirements.
