

KEEP YOUR CLUB ON THE RIGHT PATH

During the past few weeks, Kiwanis International staff reached out to club secretaries all over the world. We discussed life during a pandemic; listened as you let us know how your clubs are planning to serve communities once restrictions are lifted; and we talked about some of the challenges facing our clubs.

While many clubs are meeting online, some are struggling to stay connected. Some resources to connect include:

- [Zoom tutorials](#) on how to hold an online meeting.
- [Ideas to keep](#) your club connected.
- [Lunch with a Leader](#), our online series of interviews with leaders covering topics across the Kiwanis family. These can also be found on facebook.com/kiwanis each Wednesday afternoon.

We've had questions about membership and fees:

- Learn about the [temporary new member fee waiver](#).
- Get ideas on [how to recruit in times of online meetings](#).
- Find out how to [help your club thrive](#).
- Check out our [resources for strengthening your club](#).
- Reach out to staff on the [membership team](#).

We also have information about service and fundraising:

- There are ways for clubs to [celebrate graduating seniors](#).
- We have [ideas for clubs with fundraisers affected](#) by the pandemic.
- And of course, if you'd like to have a specific conversation about fundraising, you can always [email us](#).

We know things have changed and we understand there are challenges that nobody ever imagined. [We're here to help](#). Don't hesitate to let us know if there's anything we can do to support you and help your club continue serving the children of the world.

**This message has been sent to club secretaries, district secretaries, governors and governors-elect.*
