Kiwanis

Young Children- Priority One

Kiwanis is a worldwide service organization that has been in existence for over 105 years. The Westlake Kiwanis was founded in 1950. Through the club's many activities, our goal is to enhance the lives of all who call Westlake home.

"One person can make a difference, and everyone should try."

JOHN F. KENNEDY

Westlake Kiwanis welcomes both men and women who live or work in the community. Our Aktion Club is a group of adult citizens with various disabilities. The mission of this club is to provide its members with opportunities in the areas of leadership and community service. We offer volunteer opportunities to high school students through the Key Club and middle school students through the Builders Club.

"It is easier to build strong children than to repair broken men."

FREDERICK DOUGLASS

Our dinner meetings are held weekly on Tuesday evenings starting at 6:30 at Buca di Beppo Restaurant (23575 Detroit Rd., lower level). A guest speaker usually follows the short business meeting and there is plenty of time to enjoy the company of fellow members.

"People who are more socially connected to family, to friends, to community, are happier, they're physically healthier, and they live longer than people who are less well connected."

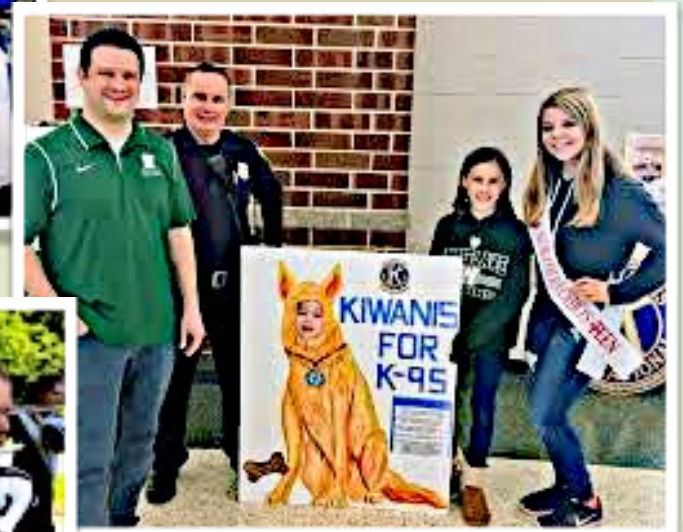

ROBERT J. WALDINGER, MD, HARVARD MEDICAL SCHOOL

Joining & becoming active in Kiwanis will offer you the opportunity to meet new friends and become connected to & serve our community.
